WORK EXPERIENCE

Planet Fitness

Aug 2024 - Jun 2025

Member Service Representative

Saint Charles, IL

- Assisted members with check-ins and account questions, ensuring a clean and welcoming environment, which improved member satisfaction and retention.
- Gathered and analyzed member feedback to identify pain points and suggest improvements to front desk processes, enhancing user experience.
- Collaborated with team members to implement small-scale process improvements that streamlined member interactions and data management.

Dukane Corporation

Nov 2023 - Aug 2024

Service Technician/Contractor

Saint Charles, IL

- Built, diagnosed and fixed laser welders using skills including precise machining, electrical wiring, schematic dissection, collaboration with engineers and software manipulation.
- Worked closely with clients to understand their operational needs and optimize laser pathing solutions, ensuring tailored, user-focused equipment performance.
- Documented technical issues and client requirements clearly to inform iterative improvements and support the development team's design decisions.

Water Watchers

Jun 2021 - Aug 2023

Lifeguard

Aurora, IL

- Ensured the safety of all patrons at the pool by enforcing rules, administering first aid, performing water rescues, and conducting CPR, resulting in a safe and secure environment
- Observed and recorded patterns of pool usage and safety incidents to help management improve facility layout and signage for better user experience.
- Participated in training sessions and simulations to refine emergency response protocols, enhancing preparedness and team communication.
